

Thanks to the FM Team

“Both **Tim Hublely & Brad Little** are very responsive and on the ball. Both provide detailed feedback on time so that it helps me with getting back to my staff and finding solutions. I'm glad to be able to work with such a great team. I would also like to provide my gratitude to **Juanita Haas, Garry Martell, Michael Wilkinson, Michael Campbell** and **Craig Arthur** for being very helpful and resourceful. Their experience with Dal has helped me in my new role at Dal libraries greatly, Kudos to the FM team!”
