

Bridget Provides Outstanding Service at C3LR

“Brigitte Gallant is a really good custodial staff member,” Tanya Dutton, the managing director of the Centre for Collaborative Clinical Learning and Research (C3LR), said. “She continues to provide us outstanding service, and we are so pleased to have her here as part of the C3LR team. The place would not be the same without her. She is so very warm and kind, but also very competent at the work she does for us. She fits right into our team with her quiet yet professional presence.”
