

DENTISTRY IS LUCKY TO HAVE KIM GARLAND

“I'm writing to give you feedback regarding our custodian services by Kim Garland. I feel it's very important to pass along feedback as she provides exceptional services within the dentistry building. I work on level one, and have observed that throughout our renovations, Kim has provided careful attention to detail and has provided excellent communication to staff. She conducts herself professionally, and is a great fit to working within a Health Care Centre.”
