

Hannah and Susan Keep the Library Clean and Welcoming

Susan Westlake and Hannah Teklemarian work in custodial service at Sexton Campus. Allison Fulford, Architecture and Planning Specialist, said, last time, she went to the library, she could not believe how terrific it was looking. “The carpets came out really nicely and the chairs and couches look much better. I can't remember the Library looking so clean and welcoming.” Allison appreciates Hannah and Susan provide good service to the library.
