

Congrats Julia Cairns for your hard work on the IDEA project!

“**Julia Cairns**, congratulations on your leadership of our IDEA project... I've been part of some large and complex projects, but IDEA is unique in the large number of buildings involved, the diverse range of work undertaken, and the tight timeline. Yet it is very evident that you are doing a fabulous job coordinating and leading all of this... Sincere thanks for your great, ongoing work at Dal.”

Richard Florizone
Dalhousie President

Project manager Julia Cairns shows government representatives our progress on IDEA. Left to right; Scott Bryson (MP and President of the Treasury Board), Andy Fillmore (MP), Richard Florizone (Dal President), and Matt Hebb (AVP government relations).
