

# Liz, Joanne, and Cindy keep the Fawcett Labs Squeaky Clean

“Just wanted to let you know how delighted we were to see how clean the floor to our tissue culture room looked this morning.

Thanks to Joanne Chislett, Liz McNally, and supervisor Cindy Murphy – for coordinating for a job well done. It will, I am sure, help us keep contamination of our cultures to a minimum.

Josée and the members of the Fawcett Lab

Joanne (left) and Liz (right) share a smile that shines even brighter than the floors
