

# 2018 VALUES AWARD FOR QUALITY

## JASON WILLIAMS

Dean David Gray who says Jason does an exceptional job, takes pride in his work and also has an amazing attitude. Here's a direct quote: "I don't think that I have ever seen him NOT smiling. He greets everyone with a cheerful 'hello' with an enthusiasm that is contagious." Most recently he went above and beyond when he entered an office to vacuum, took one look around and promptly cleaned every surface right down to the sticky part on the phone. Your efforts are greatly appreciated!
