

2018 VALUES AWARD FOR RESPECT

JUNE HOFFMAN

June Hoffman was working in the International Centre in LeMarchant Place and struck up a friendship with one particular student. That student was so impressed with the work of June, and other custodians, that she got together with some friends and held an event to thank and appreciate Facilities Management staff. The students got funding from the Dal Student Union and held a coffee break with sweets which about 50 FM employees enjoyed.

Thank you June, for leaving students with such a positive impression.
