

SUMMER SET-UP

PJ Lee and Dave MacKenzie are being praised for their incredibly hard work. They did an amazing job preparing room 511 for the accessibility team. Nicola Embleton-Lake would like to thank PJ and Dave for working hard to not only get the yearly deep clean scheduled, but also for performing such a great job on the room.

This summer room 511 is occupied with 20 students coming and going. Timing was crucial for the deep clean and PJ and Dave were wonderful in ensuring that it happened very well, and at the appropriate time.

As always are Dalhousie Custodial Team did a great job!

***Nicola Embleton-Lake, B.E.D., M. Arch., C.E.F.P.,
Assistant Director Space Management***
