

Dave Impresses Sexton Bookstore

Custodian **Dave MacKenzie** has been impressing the staff at the SUB Bookstore.

“I just want to express how impressed we are with David’s attention to detail when he’s cleaning our store. All the staff are very impressed with how the store looks after he leaves. Please let him know how much we appreciate the work he puts in to making our store, and the lobby outside the store, look great for our customers. It’s such an important part of our retail business to have a clean looking store.”
