

TREMENDOUS TOM

Tom Innes, Environmental Services Supervisor is being praised for his professionalism. He has an in-depth knowledge of what is happening on campus. He is also a very helpful and caring person and looks after the crew. Tom goes out of his way to make the crew feel very comfortable. He does not panic if a situation arises. He deals with obstacles and problems with a very calm demeanor. He leads by example.

These are true leadership qualities. Balbeer Singh, a gardener in the grounds department, wanted to ensure Tom's work and positive personality did not go unnoticed. Balbeer thoroughly enjoys working alongside with Tom, and appreciates his amazing work. Kudos to Tom Innes!
