

FANTASTIC FINANCE

Margie Crouse, Mary-Catherine Jacobs, Aaron Bowering, Caitlyn Power, and Jessica Corrigan make up the amazing finance team at Facilities Management.

The finance team trained Bonnie Purcell

when she had first started her position in FM's finance department. Bonnie felt the experience was terrific, and wanted the finance team's kindness to be recognized. While training Bonnie, the five were very patient and supportive. They also praised her for her efforts, and made her feel very welcomed.

Bonnie learned so much during her training, and feels very fortunate to have been working with them for over a year.

Amazing team work Margie, Mary-Catherine, Aaron, Caitlyn, and Jessica!
