

EXTRAORDINARY CUSTODIANS

Nerrissa Wamboldt, and the custodial department's newest term team member, Victoria Jarvis, are being recognized for their excellent work in the Henry Hicks building.

Rhonda Mitchell is the Travel Cheque Requisition Clerk in the Finance Department. She works in the Henry Hicks building, and couldn't help but notice and mention Nerrissa and Victoria's amazing work.

The two girls are always very pleasant, and hard working.

During this time of year, cleaning is much more difficult. With salt, snow, and wet dirt on the ground, floors get extremely messy, and become harder to clean. Even with this extra challenge, Nerissa and Victoria still accomplish their tasks amazingly.

Keep up the extraordinary work Nerrissa and Victoria!
