

QUALITY TEAMWORK

A huge thank you to the Facilities & Maintenance staff of the Faculty of Agriculture for their hard work in setting up for the 2019 Truro Open House! Their attention to detail and communication were outstanding. The Truro Open House would not be successful without their quality of work and prompt worth ethic!

Thanks to Zn5 Operations:

Ed Bowers, Irving Sharpe, Seymour Publicover, Les Hefler, Ritchie Davidson, and Gordie Farrell,

ZN5 Custodial:

Shelley Upham, Annette Bent, Diane Ross and Kim Munsie.

They were a big help with the planning of the set up, clean up and tear down as well. Thank you again!
