

# Dedication & Commitment

Facilities Management **Trades**, **Custodial** and **Security** staff are being acknowledged for their amazing accomplishment preparing Gerard Hall for returning students. Due to the COVID-19 requirement for international students to observe a 14-day isolation period, it became necessary to quickly prepare rooms for these students in the absence of available hotel rooms in HRM. Custodial, Trades and Security pulled together and were able to organize this task efficiently and safely for all involved.

“Hi All,

There are no words that can express our thanks to you all and your amazing staff! I actually can not believe the amount of work that was accomplished today....I am left speechless. I am so proud to say that I work with such dedicated people to this University. Please pass along to all your staff that are not on this email....Custodial, trades, contractors etc. Also to my group....Ancillaries is nothing without your dedication and commitment.”
