

Leadership with a Smile

Sending a Kudos to **Starla Hutt**, Custodial Supervisor and **Shelley Upham**, General Foreperson, from the Dalhousie AC Campus.

These two ladies have been amazing throughout the last 1 ½ years. They have shown us compassion, great leadership and support when we needed it. They kept us all in laughter when there were days we felt there was nothing to laugh at. Thank you to both of you for getting us through these tough times and always being there for us.
