

# Valuing Verna

“**Verna McNeil** is an absolute gem of a person. She works so hard, efficiently, and conscientiously, keeps everything shiny here at the Architecture building, and is just such a great person to have in our community: she is "above and beyond" to help and follow up on things, and a friendly, thoughtful, cheerful colleague to work with. We're so lucky to have her, and I hope Dal values her as much as we do!”
