## **Sparkling and Clean**

I wanted to say how great **Yin Chen**'s work is. Whenever I walk into our 'house' every day I am shocked. Everything is sparkling and so clean.

I wish I could hire her to come to my home and clean. Whenever I am cleaning at home I think, I wonder how Yin would clean this!

Yin is doing an amazing job cleaning our house. I marvel at her work every day. Thank You Yin!
