

Exemplary at Architecture

“THANK YOU **Verna McNeil** for continuing to do a great job in cleaning and waxing the floor of my lab.

In addition, her hard work, dedication, and attention to details for the entire building (3 floors, over 200 students/staff/faculties, 4 labs, 7 bathrooms, and countless offices) has been EXEMPLARY ever since she started here at the School of Architecture and Planning.”

*Ken Kam
Adjunct Instructor & Digital Lab. Supervisor
School of Architecture and Planning*
