Genuine and Caring

Custodians **Susan Dempster and Donna Murphy** go above and beyond everyday in their work ! Their smiling faces make the day just a little sweeter. Recently they went above the call of duty to help me find something very important that went missing and I thought was lost for good. It felt great to work somewhere that people will lend a hand like that, doing extra work to help you in such a genuine and caring way. Because they are so diligent in their work, they were able to find it for me. Thanks Donna and Susan!
