Consummate Professionals

Monica Williams, Facilities Planner and **Joy Tayona**, Space Planner were exceptional in supporting a potential move from Park Lane to the Henry Hicks Building. We appreciated the effort, expertise, and dedication they extended in assisting the team. Both Monica and Joy visited our office to assess our needs, and Joy developed a layout plan based on our existing workspace. We were connected with movers, electricians, and they arranged access to the new space. They also assisted with obtaining quotes and guided us in navigating the new AssetWorks system. Monica and Joy were consummate professionals. Their support and attention to detail as well as offering suggestions made the process feel manageable.I truly appreciate all of their hard work and look forward to working with them again!! Monica and Joy, you both rock! Thank you for everything you do.
