Insight, Experience and a Keen Understanding

"**Justin Hawkins** is the Project Manager on the extensive Forrest Building Renovation, Carleton Campus. Justin has ensured the timely, successful and safe execution of the Forrest reno. Justin is a quiet leader, who has extensive insight, experience and a keen understanding for the 'challenges' of our needs to provide ongoing practical, classroom, teaching and learning. He is thoughtful, responsive and reassuring in the face of this huge undertaking. We are grateful for his leadership, guidance and care as we move through this project. Justin is just a good guy and is an absolute pleasure to work with."
