Thanks and Gratitude

I would like to express my sincere appreciation to custodian **Linda (Lin Xiaojie)** in the Henry Hicks Building for her outstanding custodial support before and during our Department of Political Science's recent move. She assisted us at every stage, consistently going above and beyond, and always with a smile. Her dedication and positivity certainly made our transition much smoother. It was a pleasure having her support us in the Hicks for the last couple of years, and we want to extend our thanks and gratitude to her. Thank you, Linda!
