

AC Custodial Crew Helps With Accommodated Exams

As exams wrap up today, I wanted to say a big “THANK YOU” to you and your staff.

The accommodated exams went smoothly. The support you and your team provided greatly helped with this.

Please let Paula and Starla know we appreciated the early morning cleanings, even when you were short-staffed.

Thanks to everyone for unlocking rooms in Cox and elsewhere early as well as being welcoming of the many students who came through our doors early morning.

I appreciate what you do, and what you did!
