

STACEY FRANCIS AND DAN MILSON HELP OUT WITH MICHELIN ANNOUNCEMENT

“I want to reach out to FM with a message of THANKS for everything related to Michelin Announcement held recently on Sexton Campus. In particular, I want to recognize the work of Stacey Francis and Dan Milsom. They both really went above and beyond to prepare the space – including assembling a team at the last minute to remove a big trash receptacle from the front entrance – and our event was better for their contribution.”
