

Hip Hip Hooray to the 2016 FM Employee United Way Campaign Committee!!

Darryl Babin, Rachael Guy, Marcia Monroe and Mary-Jane Webber have been responsible for FM's United Way fundraising campaign. Working as a team, they came up with many creative fundraising activities such as Cupcake Mondays, Book Sales and a BBQ. They also worked diligently on selling United Way 50/50 Draw Tickets throughout the Department.

The money that was raised through these events is an investment in the future health and stability of our local community and support hundreds of important programs and resources.
