RE: Schedule of Important Dates, Information, and Contacts for Fiscal Year-End

The following year-end cut-off dates are being provided to assist individuals with responsibility for University financial accounts as we approach the University’s fiscal year-end, March 31, 2020. This information should be made available to all persons in your department who are responsible for processing these transactions.

The preliminary cut-off will occur on April 2, 2020. Reports will be available for review via Finance Self-Serve and Eprint on April 7, 2020. Between April 7th and April 14th, final 2019-20 adjustments can be sent to Financial Services for processing.

Please review the list of year-end dates below. These deadlines are necessary to complete the University’s fiscal year-end reports and financial statements within the reporting requirements established by the Board of Governors.

Please refer to the Financial Services homepage (http://www.dal.ca/fs) for the list of year-end contacts and additional information relating to year-end.

It is only through the cooperation of everyone on campus who is involved in the year-end process that we are able to meet the reporting deadlines.
