### Notes

- If you are receiving a PSSP pension or have deferred your pension, benefit deductions will be deducted by our third-party payment administrator, TELUS Health. An administration fee of approximately 5% will apply.
- \* Travel coverage applies if member has Dalhousie University health coverage
- \*\* Dental coverage is based on the employee class prior to retirement
- \*\*\* Voluntary Personal Accident – Existing coverage may be continued until the end of the month in which the retiree turns 65. After age 65, coverage may be continued until the age of 70, but is restricted to a maximum coverage amount of \$100,000.
