Re: Decanal Review for the Schulich School of Law

Dr. Cameron’s term as Dean of Law formally ends on August 31st, 2020 and she has advised me that she wishes to be considered for a further five-year term. As part of standard university process, and in keeping with our Senior Administrative Appointments Policy it is routine that a decanal review process be initiated at this point. Such reviews are key to university accountability and quality improvement processes and are conducted on a regular cycle. These review processes are also instrumental in providing an opportunity for feedback to the Dean should re-appointment be the result of the review.

As a first step in this process, a Decanal Review Committee for the Schulich School of Law has been constituted by the School and this committee wishes to invite input into the review from all interested parties.

Broad participation in the reviews is a vital component. Faculty, staff, students and external partners are particularly encouraged to participate in the review. The scope of the review includes the following:

- Dean Cameron’s role as Dean; and
- The Office of the Dean, which includes the structure and administration of the Office.

The committee is interested in hearing opinions concerning the leadership areas identified in the University Core Terms of Reference for Deans.

Additional information on the Office of the Dean of Law may be found at https://www.dal.ca/faculty/law.html

Opinions may be expressed by filling out this anonymous survey, via email to Ms. Jacqui Langille at the address below or by submitting a request for an interview with the committee as per the below.

The survey is comprised of 12 questions total, 10 of which are open text box format. While you will be asked to identify your stakeholder group, individual responses will be anonymous and all comments will be treated as confidential by the committee. Summaries of information obtained through this process may be shared with the Dean. Any such information will contain neither direct quotes nor any individual identifiers.

Please fill out the survey at the link above or submit your input over email to Ms. Jacqui Langille at Jacqui.langille@dal.ca by March 23rd, 2020. To request an interview with the review committee please contact Ms. Jacqui Langille at Jacqui.langille@dal.ca or 902-494-2586 by March 23rd, 2020.
