Canadian Architecture Forums on Education (CAFÉs) are part of a year-long outreach project to discuss and debate the role of architectural education and research in shaping Canada's future.

The knowledge and ideas mobilized through these forums will inform the development of an architecture policy for Canada. The forums enable students, educators and academic researchers to play meaningful roles in shaping the policy's priorities, ambition & depth of vision.

Twelve schools of architecture will participate in five forums at five Universities across Canada during the 2019-2020 academic year.

The dates for the events are:

October 7, 2019 CAFÉ Atlantic, Dalhousie University

November 11, 2019 CAFÉ Québec, Université de Montréal

February 6, 2020 CAFÉ Ontario, Ryerson University

February 28, 2020 CAFÉ Prairie, University of Manitoba

March 12, 2020 CAFÉ West, University of Calgary
