ACCESSIBILITY INTO PRACTICE

Practical applications of accessibility with Julie Sawchuk.

Join Julie Sawchuk, accessibility expert and educator, to see how accessibility best-practices are possible AND practical for all your future designs. Julie is a certified CEU provider for NSAA.

Proudly Sponsored By Harding Medical and Can-Dan.

Event Information:

December 05, 1:00-2:00pm

Ralph M. Medjuck Architecture Building (H Building) Room B015.
Dalhousie University, 5410 Spring Garden Road, Halifax.

Open to all architecture and planning students, design professionals, and instructors. Seating is on a first come, first serve basis.

ABOUT JULIE

Julie Sawchuk is an international speaker, best-selling author, and recipient of The King's Coronation Medal. After sustaining a spinal cord injury in 2015, she became a leading voice for accessibility, helping organizations and communities understand how inclusive spaces improve safety, dignity, and independence for all.

With warmth, humour, and expertise, Julie empowers audiences to see accessibility not as an obstacle, but as a way to make life simpler for everyone.
