

## ADMISSION QUESTIONNAIRE FOR NEW ARCHITECTURE STUDENTS

To encourage qualified students from diverse regions and academic backgrounds to apply to Dalhousie's Architecture program, we would like to know what brought you here. You needn't indicate your name. Your responses will remain confidential. If a question doesn't apply, you can leave it blank. If more than one answer is appropriate, choose more than one. Feel free to add extra comments on the second page.

**Please return this questionnaire to the Architecture office: [arch.office@dal.ca](mailto:arch.office@dal.ca)**

**1. When did you first think about studying architecture?**

- |  |  |
|--|--|
| during high school                           | after completing an undergraduate degree |
| during first two years of university/college | after starting a career in another field |

**2. At which university(ies) and/or college(s) did you previously study?**
