

The History Department held a retirement reception for Dr. Cynthia Neville on April 16th at the University Pub.

Dr. Neville first joined the Department as a SSHRC Postdoctoral Fellow. Her future plans include writing a great deal more Medieval History and travel (with as much hiking as possible).

The reception was enjoyed by many of Dr. Neville's colleagues, family, friends, students and staff.

We wish you all the very best Cynthia. You will be greatly missed!
