

FOUNTAIN ENDOWMENT GRANTS APPLICATION GUIDELINES & POLICIES

The mandate of the **Fountain Endowment Grants** program is to support initiatives and opportunities that elevate the activities of the School and impact the student experience. Eligible projects must meet the criteria in one or more of the following four categories:

ARTIST-IN-RESIDENCE	<i>Artists</i> may include not only performers, but also teachers, critics, and scholars of the performing arts, in order to encompass the full range of work in the performing arts that is undertaken within our School. Residence need not refer only to lengthy positions, but also to shorter visits that encompass lengthy or multiple lectures, seminars, workshops or performances.
OUTREACH & RECRUITMENT	<i>Outreach and Recruitment</i> represents our commitment to the communities of Dalhousie, Halifax, Nova Scotia and beyond. Initiatives include public talks and performances by our faculty, students and alumni with a goal to give the School wider public exposure and boost enrollment. Outreach and Recruitment projects can include, but are not limited to, partnering with community groups in events that enrich public cultural life, hosting events for prospective students, and sending members of our School to share their talent in other schools and venues.
MENTORSHIP & APPRENTICESHIP	<i>Mentorship & Apprenticeship</i> encompasses learning opportunities for our students outside of regular FSPA programming. This includes but is not limited to summer study programs outside of Dalhousie, apprenticeship and immersion, international study program, workshops/lectures/masterclasses by world-class artists, stage and music productions of student societies (SDMS & DTSS) and support for participation at national and international competitions.
EQUIPMENT	<i>Equipment</i> funding is available for innovative, cutting-edge technical equipment, instruments, video, audio and related media. The funds will be awarded according to priority. <i>*The funds are not intended for purchase of regular classroom instruments/technology that can be requested through non-space equipment budget.</i>

ELIGIBILITY (WHO CAN APPLY?)

Principal applicant submitting a funding project proposal has to be a FSPA faculty member. FSPA students or student groups, alumni, FSPA administrative staff and applicants external to FSPA are eligible to apply if the funding proposal is co-signed/sponsored by a current FSPA faculty member.

FUNDING & TIMELINE (HOW MUCH CAN YOU APPLY FOR AND WHEN?)

Fountain Endowment Grants are available in three forms:

- **Small grants up to \$1000** are awarded upon submission and approval of a project proposal. There is no deadline for submission as Small Grants are available year-round. Funding requests/project proposals have to be submitted to FSPA Executive Committee no later than 30 days prior to the start of the project as FSPA must be acknowledged publicly in publicity materials. Applications for small grants must be submitted in sufficient time to ensure this.
- **Alumni outreach grants up to \$5000** are awarded to FSPA alumni who are deemed eligible emerging artists, upon submission and approval of a project proposal in the outreach and recruitment category only. The grant aims to support alumni career development, FSPA community outreach, and recruitment. There is no deadline for submission and project proposals are eligible for consideration year-round (see FSPA Alumni Outreach Grants Terms of Reference for further guidelines)
- **Capital grants over \$1000** requiring substantial funding for extra-curricular activities (artist-in-residence and outreach/recruitment) and state-of-the-art equipment are awarded once a year. Funding proposals have to be submitted by **September 27, 2019**, to the FSPA Executive Committee for consideration. If the funding proposal is successful, **funds will be accessible in 2020-21 fiscal year, from April 1, 2020 to March 31, 2021.**

***NOTE: Applications for projects in progress or supplementing funding for already completed projects may not be accepted.**

APPLICATION ASSESSMENT PROCESS AND CRITERIA

Applicants should complete the Fountain Endowment Grant Application Form and submit it to the FSPA Executive Committee for review and consideration. All proposals are considered and assessed by the FSPA Executive Committee on the following criteria:

- proposal submitted or co-signed/sponsored by a current FSPA faculty member?
- proposal meets the criteria in one or more of funding categories: artist-in-residence, outreach & recruitment and/or equipment
- proposal relates to current FSPA teaching curriculum and/or outreach and recruitment priorities
- proposal indicates how FSPA's support will be acknowledged in publicity and marketing materials
- proposal timeline fits in the fiscal period and allows adequate time for publicity and FSPA promotion

The FSPA Executive Committee's decision is final and the applicants will be informed of the outcome with a letter from the Director.

FINANCIAL POLICIES

Successful applicants must follow university guidelines and policies in carrying out their projects. This includes:

- compliance with [university travel expense policies](#)
- compliance with [university procurement policies](#) (if applying for equipment funding)
- responsible for meeting the fiscal year deadlines for implementing the project and disbursing the funds.

It is the responsibility of the principal applicant to direct all invoices, receipts and expenses for reimbursement, honorarium payment information, etc. to the FSPA Administrative Officer. Eligible expenses are:

- **Artist fees:** paid as honorariums or upon submission of an invoice. Artists are required to supply their contact information and SIN or GST/HST registration number. Consult the appropriate governing association (i.e. [Canadian Actors' Equity Association](#); [Atlantic Federation of Musician](#)) for pay scales for directors, stage managers, conductors, choreographers, musicians, etc.
- **Travel (transportation, accommodation, per-diem):** reimbursable travel expenses that require payment receipts include economy airfare and ground transportation (taxi, shuttle, rental vehicles, buses, etc).
- **Mileage** for use of a privately owned vehicle does not require a receipt and is reimbursed at a rate of \$0.44 per kilometer.
- The university provides **per-diem** for travel requiring out-of-town travel and/or overnight stay at a rate of \$48 per day (Breakfast \$10; Lunch \$14; Dinner \$24). Incidentals are reimbursed upon submission of receipts.
- **Hotel Accommodation** is reimbursable at a reasonable commercial rate, while billeting in a private home is reimbursed at a rate of \$40.00/day. Note: [The Lord Nelson](#), [Atlantica](#) and [The Halliburton](#) hotels in Halifax offer discounted rates for university visitors. Depending on the season, the price ranges from \$125 - \$159 per night (tax included).
- **Vehicle rentals:** for day trips, school buses are most cost-effective. Bus provider must carry a minimum of \$10 million liability insurance. Check with Administrative Officer for costing based on size of bus needed, liability insurance, fuel surcharges, number of hours, etc. For passenger car rentals, you can estimate costs at [Enterprise Rent-A-Car](#) website and use Dalhousie University corporate number **XVC9510DAL**.
- **Venue rental**
- **Equipment rental** (lighting, sound, audio-visual, platforms, risers, etc.)
- **Music purchase/rental and performance rights**
- **Advertising and printing**
- **Seminar fees** including conferences, workshops and masterclasses
- **Equipment/instrument/technology purchase**
- **Other expenses** will be considered on individual basis. Please provide details and justification in your project description and budget worksheet.

REPORTING REQUIREMENTS

FSPA Executive Committee requires a final report on each grant awarded within **30 days** of project completion. Final report forms will be provided with grant award letters and may also be downloaded from the [FSPA website](#).

SUBMITTING YOUR FUNDING APPLICATION

Please send you completed application and supporting materials in MS Word or PDF format by email to tatjana.vukoja@dal.ca addressed to Fountain School of Performing Arts - Attn. Executive Committee. You will receive an email confirmation that your application has been received.

If you have questions about the program or application process, contact the [FSPA Administrative Officer](#) for assistance.
