INSTRUCTIONS

- 1. It is the responsibility of the candidate to complete the form and obtain the necessary signatures. The student is responsible for proposing a date and time for the exam to their committee members and verifying their availability, prior to submitting this form.
- 2. No action will be taken towards scheduling an oral examination until this form has been completed and returned to the Departmental Graduate Secretary, <u>at least ten (10) business</u> days before the intended date of defence.
- 3. The student must also distribute copies of the thesis/project to the supervisory committee <u>at least ten (10) business days before the intended date of defence.</u> Copies can be provided to the committee in their media of choice: hard copy or electronic. Note: the department is not responsible for the printing of the thesis to be submitted to the committee.
- 4. The student is also to provide their thesis/project and abstract to the Departmental Graduate Secretary, in PDF format, 10 business days prior to the defence.
- 5. Once the defence is scheduled, moderator selected and completion of the program requirements verified, the form is to be signed by the Graduate Coordinator/Director. If the Graduate Coordinator is also the thesis/project supervisor, the Head of the Department/School/Programme must sign it in his/her stead.
