POSTDOCTORAL JOB OPPORTUNITY

POSTING NUMBER: PD-(we will assign)
POSTING DATE: 
CLOSING DATE: August 23, 2018

Postdoctoral Fellow
Faculty of Health/School of Occupational Therapy/School of Health Administration

POSITION SUMMARY:

We are seeking a postdoctoral fellow to join the International Chronic and Complex Condition Research Group (IC3RG), one of the largest research groups in the Everyday Living Research Collaboratory. This postdoctoral fellow will contribute to our objectives of improving self-management of people with chronic conditions. This includes, but is not limited to, testing of fatigue and other self-management interventions, developing measurement tools, embedding self-management into primary health care, and understanding the lived experience of living with a chronic condition.

Requirements:
The postdoctoral fellow will be expected to:
- take a leadership role in the Dalhousie component of the REFRESH project, a PCORI funded project comparing three formats of a fatigue self-management program;
- contribute to other funded projects, including the development of a patient-reported self-management outcome measure;
- lead and contribute to publications and grant applications;
- contribute to the supervision of research trainees; and
- work toward an independent program of research

Qualifications:
- Completed PhD
- Expertise in chronic disease management and self-management in particular
- Strong research track record, including successful publication, commensurate to career stage
- Expertise in randomized control trial methodology is an asset
- Eligibility for licensure as an occupational therapist in Nova Scotia is an asset

Salary Range: $40,000 – 45,000 per annum
Start Date: As soon as possible
Duration of appointment: 12 months with possibility of extension

Deadline for application:

Interested parties should forward a cover letter, current CV and contact information of 2-3 references to:

Kylie Peacock
Kylie.peacock@dal.ca

Questions about the position can be addressed to Dr. Tanya L. Packer (tanya.packer@dal.ca), supervisor

We thank all applicants, however, only candidates selected for an interview will be contacted.

Dalhousie University is committed to fostering a collegial culture grounded in diversity and inclusiveness. The university encourages applications from Aboriginal people, persons with a disability, racially visible persons, women, persons of minority sexual orientations and gender identities, and all candidates who would contribute to the diversity of our community.
