

Welcome to Dalhousie Libraries!

Getting started:

Make sure you have a Dalhousie NetID. Your NetID and password are key to you accessing the many electronic resources available through Dalhousie. To acquire a Dalhousie NetID, you will need to receive approval as an adjunct by the school. Once you receive approval, your Dal identification # (aka banner number or boo number) will arrive by email. After you receive email notice of your banner number do the following to activate and/or look up your NetID:

1. Go to the Dal website (www.dal.ca)
2. Click on Login (top of the Home Page) and click myDal in the drop down menu.

3. Here is a direct link to the NetID & Password page: <https://myaccount.dal.ca/>

4. Follow the instructions carefully when creating your password. Type your birthdate exactly as illustrated on the page.

*If you experience problems with your NetID please visit one of our [helpdesk locations](#) or contact: support@dal.ca
