### **Recording CE Units as a Preceptor in New Brunswick**

**Please Note:** as per the policy of the New Brunswick College of Pharmacists (NBCP) CE units are not able to be awarded automatically per week of teaching as a preceptor, but rather through self-documentation of **NEW learning** encountered during the natural course of teaching as a preceptor.

Here is the link to the NBCP memo:

<https://nbcpc.in1touch.org/document/4189/Renewal%20FAQ%20ENFR%202018.pdf>

[Here is the link to the document \*Guidelines for Self-Assignment of Continuing Education Credits:\*](#)

<https://nbcpc.in1touch.org/document/1707/Self%20Assignment%20of%20CE%20006%20from%20web%20EN.pdf>

Preceptors should use the official FORM M provided by the New Brunswick College of Pharmacists to record CEUs related to **NEW learning** while in the role of a preceptor.

**Here is the link to the official FORM M *Continuing Professional Development Learning Project – Record Sheet:***

<https://nbcpc.in1touch.org/document/1690/Form%20M%20May2015.pdf>

**Preceptors may need to use multiple copies of FORM M.**
