

FOR NEW STUDENTS

Sign into [DalOnline](#) using your NetID and select the **Academic Timetable** then select **2021/2022 Fall and Winter**. There are two applicable subject listings for PhD Health students, the first is to ensure you receive scholarship payments and the second is for required courses. On the next page is a list of all applicable CRN numbers as they appear on the Academic Timetable.

1. Listed under **Registration Course-Graduate** – REGN 9999 Fall, Winter and Summer*
REGN 9999—Fall Term: CRN 13906
REGN 9999—Winter Term: CRN 23686
2. Listed under **Health Professions:**
 - a) **For students in the two-year residency program only:**
HLTH 6000 Fall and Winter
HLTH 6100 Fall and Winter
Please note that these courses run concurrently on alternate weeks and final grades will be received at the end of the Winter term only.
 - b) **For students in the three-year residency program only:**
HLTH 5101 (Fall)
HLTH 5102 (Winter)
3. Any **electives** you have chosen and agreed upon with your supervisor can be found under the applicable subject listing. In some cases, a note from the department is required to the departmental secretary of the school/college in which you wish to register requesting that a seat be opened. Please contact the Program Administrator at phdhealth@dal.ca if this appears to be the case. Elective Options may be found under **Course Outlines**.
4. If you plan to pursue an **Independent Study/Directed Reading** at any point, please complete the applicable form and return it along with a copy of the full course syllabus to phdhealth@dal.ca, signed by yourself and the instructor. The course will be timetabled as an individual section of HLTH 7001 or 7002 and you will be informed of the CRN number when it is available for registration. Syllabus instructions may be found under **Course Outlines**. Forms may be found under **Forms and Documents**.

FOR CONTINUING STUDENTS

Once all coursework has been completed, you **MUST continue to register as per #1 above and for the Comprehensive exam course: HLTH8000**

Once Comprehensive Exams are complete, you must continue to register in **HLTH9530 EACH TERM THEREAFTER** (including Summer*) until you have completed your PhD.

***please note that summer registration generally opens in early March for the following academic year. Summer is considered Term 3 of a given academic year.**

PHD HEALTH PROGRAM
