Audiology Curriculum Course Connections

**Foundation Courses**
- Audition I (HUCD 6310)
- Audition II (HUCD 5280)
- Introduction to Neurosciences for Communication Disorders (HUCD 5290)
- Hearing Disorders (HUCD 5260)
- Introduction to Audiology and Speech Language Pathology (HUCD 5130)
- Clinical Methods - Audiology (HUCD 5071X/Y)
- Research Design (HUCD 6980)
- Phonetics (HUCD 5020)

**Speech and Language**
- Speech and Language Acquisition (HUCD 5150)
- Fundamentals of Speech Science (HUCD 5050)

**Diagnostic Audiology**
- Hearing Measurement (HUCD 5120)
- Diagnostic Audiology (HUCD 5220)
- Pediatric Audiology (HUCD 6320)
- Electrophysiological Audiometric Measures (HUCD 6380)
- Advanced Diagnostic Audiology (HUCD 6420)

**Rehabilitative Audiology**
- Amplification I (HUCD 6360)
- Amplification II (HUCD 6560)
- Advanced Audiologic Rehabilitation (HUCD 6640)
- Aural (Re)habilitation with Children (HUCD 5140)
- Cochlear Implants and Other Implantable Technologies (HUCD 6630)

**Special Topics**
- Tinnitus and Hyperacusis: Topics in Audiology Procedures (HUCD 6070)
- Noise/Community Audiology: Noise in Industry and the Community (HUCD 6440)
- Balance: Topics in Audiology Procedures (HUCD 6070)

**Other Experiences**
- Research Project (HUCD 7001) and (HUCD 7002)
- Thesis (HUCD 9000)
- Practica (HUCD 7061, 7062)
- Interprofessional Health Education Portfolio (IPHE 5900)

**Other Experiences**
- Research Project (HUCD 7001) and (HUCD 7002)
- Thesis (HUCD 9000)
- Practica (HUCD 7061, 7062)
- Interprofessional Health Education Portfolio (IPHE 5900)
