## 2022 DALHOUSIE TOP CO-OP AWARDS

Each year Dalhousie's co-op and career services offices, Management Career Services and Work-Integrated Learning & Co-operative Education, jointly celebrate the students who complete work-integrated learning experiences and the employer partners who make them happen at the Dalhousie Top Co-op Awards.

Coinciding with the National Day of Work Integrated Learning, this year's celebration on March 22 at the Atlantica Hotel was the first in-person Top Co-op Awards event since 2019. With 115 Dal employer partners, students, and staff in attendance, six students and 12 employer partners were recognized. Read more about the 2022 Top Co-op Students of the Year [here!](#)

## TORONTO CORPORATE TOUR

For the first time since 2019, MCS brought back our Toronto Corporate Tour. This event is held at the end of the winter semester and introduced 40 of our talented business students to employer partners in a variety of industries in Toronto. Representatives from MCS arranged office tours, practice interviews, and networking events, and students selected to attend learned about career opportunities and made valuable connections with alumni and business professionals.
