THE BACHELOR OF COMMERCE CO-OP PROGRAM HAS GAINED A REPUTATION FOR BEING ONE OF THE LEADING COMMERCE PROGRAMS IN CANADA.

Accredited by Co-operative Education and Work-Integrated Learning (CEWIL) Canada, we offer one of the few mandatory commerce co-op programs in Canada. Our bright and highly motivated students receive a combination of world-class academic education and business experience from prestigious employers. Dalhousie students are eager to make valuable contributions to your business.

BACHELOR OF COMMERCE CO-OP PROGRAM HIGHLIGHTS

- Each work term, up to 400 well-prepared Commerce students are ready to support your business.
- Students are available for a 4-month period (starting in January, May or September) to fulfill regional and national work term opportunities.
- Designed with employers' input, our curriculum and career services model ensure our students are personally and professionally prepared for the workplace.

"We love to work with students. They bring a youthful and new perspective to the team while gaining experience in their respective fields. We extend opportunities to a few universities here in Halifax; however, we do get a larger volume of applications from Dalhousie University. They are among the brightest and the best, so they make it very easy for us as an organization."
