

## COVID-19: Summer 2020 Work Term Update

Dalhousie University Management Career Services is committed to supporting our employer partners during this challenging time. **Thank you** to the many employer partners that have supported their Winter 2020 work term student with work-from-home arrangements so that our students have been able to continue with their co-op/internship experiences.

**Our Summer 2020 co-op recruitment continues** with Dalhousie business students eager to assist you on a wide range of projects, operational needs and day-to-day tasks.

We will support interview, hiring and co-op/internship work arrangements whether completed remotely (preferable) or in-person, as long as COVID-19 related physical distancing, hygiene, federal and provincial requirements are strictly observed to protect the health and safety of our students and your team. We will not require students to interview or work in-person if they are not comfortable doing so and we appreciate your understanding.
