BComm, BMgmt and CRMBA students evaluated as Very Good, Excellent, or Outstanding

MCS is focused on improving EDIAD (Equity, Diversity, Inclusion, Accessibility, and Decolonization) in how we serve our students and employer partners. In spring 2022, we established the MCS EDIAD committee. In June, our team participated in an EDIAD Co-op and Career Services Professional Development Day.

THE IMPORTANCE OF WORK-INTEGRATED LEARNING

Our team works with hundreds of students each year and watches them grow into skilled professionals. We love to tell their stories. In 2022, our article about international graduate Xiyu Zhou was featured in Halifax Chamber of Commerce's Business Voice magazine. Xiyu moved to Halifax from Changsha, China to study at Dalhousie, and has since built a career for herself here. She is just one example of the value that international students and graduates are bringing to our community. [Click here](#) to read the article.

TOP EMPLOYERS FOR 2022

Thank you to all 423 employer partners who supported our co-op and internship students in 2022!

ACCOLADES

MCS is proud to share that Brittany Warren, our Communications and Engagement Specialist, won the Faculty of Management 2022 Staff Impact Award for Exceptional Contribution! This award recognizes a staff member for their outstanding commitment, both at Dalhousie and in the community. Congratulations Brittany!

2021 TOP CO-OP AWARDS

In March 2022, Dalhousie's co-op and career services units jointly recognized our 2021 Top Co-op Students and Employers on the National Day of WIL (Work Integrated Learning). Presented in a video format, the awards celebrated our hard-working students and the dedicated employer partners who hired and supported them in 2021.

[Click here](#) to watch the 2021 Top Co-op Awards, which garnered more than 750 views. Read more about the 2021 Top Co-op Students of the Year [here](#).

THE RETURN OF IN-PERSON EVENTS

2022 saw the return of in-person events at Dalhousie, and MCS brought back several signature events for the first time since before the pandemic.

In May, we welcomed second-year Commerce Co-op students back to campus and celebrated the successful completion of their first co-op with our annual **Commerce Summer Social**.

With nearly 450 students and employer partners in attendance, [Rowe Networking Night 2022](#), presented by RBC, drew a record crowd in September.

In September, we hosted business student society presidents at our **MCS Society Summit** to encourage cross-collaboration for the benefit of students and employer partners.
