INTERNSHIP PROGRAM

DID YOU KNOW...

Most students who complete the 8-month Internship Program graduate with their Management degree in 4 years.

100% of 2017 BMgmt Internship grads secured employment within 6 months of graduation, compared to 83% of non-internship grads.

67% of 2017 BMgmt Internship grads are making \$50,000 or more, compared to 26% of non-internship grads.

In 2016, Internship students earned an average wage of \$15.54/hr, for a collective student earning of over \$200,000.

Internship students have worked in a wide variety of roles and industries, and in locations across Canada and internationally.

Internship students receive training on job search and workplace success through in-class seminars, one-on-one coaching, and ongoing work term support.
