WORKPLACE EXPERIENCE PROGRAM

The <u>Workplace Experience Program</u> provides Dalhousie Bachelor of Commerce international students with the Canadian workplace exposure they need to better understand Canadian workplace culture.

WHY THE WORKPLACE EXPERIENCE PROGRAM MATTERS

International students often find it challenging to secure jobs locally that qualify for co-op work term credit. As an employer, you can help to eliminate the intimidation of the Canadian job search for our students, by providing the opportunity to gain connections and build confidence.

YOUR COMMITMENT

- A minimum of 35 unpaid hours
- To be completed anytime between May & August
- Flexible schedule to fit the needs of both the employer and student

STUDENT BENEFITS

- Real-life exposure to Canadian workplaces
- Eliminate job search intimidation
- Career development & insight
- Network building

EMPLOYER BENEFITS

- Low-risk, low-commitment method to engage students
- Support your organization's diversity and corporate social responsibility initiatives
- Contribute to Nova Scotia's need for increased immigration
- Showcase your organization as a welcoming environment to young students
- Support the retention of youth in Nova Scotia
