

Updated March 2016

Electives to Consider

This list is meant to be a starting point to assist SRES students in choosing electives. Not all courses are offered every year. Students should check the Timetable and contact the offering department for confirmation of availability and for further information regarding prerequisites and/or permission to take courses if needed.

| Course # | Course Name | Term | Course # | Course Name | Term |
|------------|--|------|-----------|--|------|
