

## **THE GERALD AND MARGARET GODSOE SCHOLARSHIP**

### **THE SCHOLARSHIP**

This scholarship has been established by the Godsoe family to support a highly qualified and motivated individual entering the Master of Environmental Studies (MES) program at Dalhousie University.

### **QUALIFICATIONS**

The qualifications for eligibility are:

1. an honours degree in natural or social sciences, engineering, architecture, or its equivalent;
2. first class standing in the undergraduate program or proof of exceptional merit;
3. significant contributions through community service, leadership, and education on environmental issues;
4. Canadian citizenship or permanent resident status living in Canada

### **APPLICATION PROCEDURES**

Individuals who meet the eligibility criteria and wish to be considered for the Godsoe Scholarship should append a separate, typewritten page entitled "Application for Godsoe Scholarship" and should provide a brief description of activities and community involvement in environmental issues. The statement should contain sufficient information to permit the Admissions Committee to assess the significance of the applicant's contribution. For priority consideration, the application should be submitted by February 1.

### **SELECTION PROCESS**

The recipient will be selected by the Admission Committee of the School for Resource and Environmental Studies.
