

OUR MISSION

What we exist to do

The Faculty of Medicine inspires and enables excellence in health care through its medical education and research programs, and by serving and engaging society.

OUR VISION

What we work toward

International leadership in medical education and research, responsive to health needs across the Maritimes.

RESEARCH

F1 International Leadership in Health Research

G1 To achieve national/international recognition for accomplishments in important areas of health research.

- P 1.1: Identify relative potential and mobilize
- P 1.2: Strengthen infrastructure and supports

F2 Research Responsive to Health Needs Across the Maritimes

G2 To leverage the Faculty's research expertise so as to enhance the health of Maritimers

- P 2.1: Partner to establish focus and momentum
- P 2.2: Strengthen infrastructure and supports to help drive the joint research strategy

EDUCATION

F3 Building on Educational Excellence

G3 To continue producing excellent undergraduate and graduate scientists and physicians by building on innovative education programs and targeted areas of focus

- P 3.1: Deepen our commitment to continuous improvement
- P 3.2: Evolve, focus and transform
- P 3.3: Build capacity for continuous improvement

F4 Medical Education Responsive to Health Needs of the Maritimes

G4 To enhance the health of Maritimers through excellence in education

- P 4.1: Engage stakeholders as active partners in our mission
- P 4.2: Develop capabilities across the education continuum to leverage medical education and accelerate the transformation identified in 4.1
- P 4.3: Develop leaders in innovation and engagement

F5 Leadership through Scholarship in Medical Education

G5 To continue to be nationally and internationally-recognized for scholarship in education which contributes to the health of the Maritime population and more broadly

- P 5.1: Focus
- P 5.2: Build capacity for education research and continuously improve

SERVING & ENGAGING SOCIETY

F6 Catalyzing Systems Change to Improve Health Outcomes

G6 To be a valuable agent of socially responsible change for Maritime health systems

- P 6.1: Take stock
- P 6.2: Partner and challenge the status quo
- P 6.3: Enhance our own capacity

F7 Partnering with Communities for Improved Health Outcomes

G7 To see equitable health outcomes for diverse populations with underrepresented voices in health systems

- P 7.1: Get beyond concepts
- P 7.2: Build capacity for education research and continuously improve

ORGANIZATIONAL, OPERATIONAL & FISCAL RENEWAL

OUR CORE VALUES — What characterizes our work

Excellence, innovation, life-long learning, and evidence-based critical inquiry

Relationships that are collegial, collaborative, respectful, and professional

Responsiveness to regional, national, and international health needs

Integrity, accountability, transparency, and fairness

Social responsibility, diversity, and advocacy
