RE: *MEMBERSHIP DUES FOR 2019*

We are now collecting the 2019 membership dues for the Dalhousie Medical History Society. Please ensure that your annual dues are paid as this guarantees that your name remains on (or is added) to our mailing list for notices of upcoming meetings. If you have joined (or rejoined) in the last few months, membership dues do not need to be paid again for the upcoming year.

(Cut here only if applicable) ✂ -----

As in past years, we are always interested in receiving the names of any individual who would be interested in joining our Society. By filling in their name and address below, we will contact them by mail with information on joining the Society and a list of upcoming talks.
